

NEW YORK STATE BOARD OF REGENTS AND COMMISSIONER OF EDUCATION
89 Washington Avenue, Albany, NY 12234

August 16, 2022

Dr. King Cheek, Chair of the Board of Trustees
Dr. A Li Song, President
New York College of Health Professions
6801 Jericho Turnpike
Syosset, NY 11791

President Song and Chairman Cheek:

I write to provide an administrative extension of New York College of Health Professions' term of institutional accreditation through December 31, 2022. The purpose of this extension is to allow time for New York State Board of Regents and Commissioner of Education to complete the compliance review that is required pursuant to §4-1.3 of the Rules of the Board of Regents. A compliance review is required because of the decision of the Accreditation Commission for Acupuncture and Herbal Medicine (ACAHM) at its August 2021 meeting to place the college on probation status.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen F. Egan".
