Dear President Song:

I write to provide an administrative extension of New York College of Health Professions' term of institutional accreditation until June 10, 2022 to allow for the completion of the compliance review that the New York Board of Regents and Commissioner of Education is required to conduct pursuant to § 4-1.3 of the Rules of the Board of Regents. The compliance review is required because of the decision of the Accreditation Commission for Acupuncture and Oriental Medicine (ACAOM) at its August 2021 meeting to place the College on probation status.

If you have any questions, please contact Kathleen Egan via email at Kathleen.Egan@nysed.gov.

Sincerely,

A handwritten signature in cursive script that reads "Leslie E. Templeman".
