

Women's Health and Infertility in Traditional Chinese Medicine

(The Legacy of Zhu's Gynecology)

Expand Your Horizons, Sharpen Your Skills!

Professor Rongda Zhu, a U.S.-based master of Traditional Chinese Medicine, epitomizes the third generation of Zhu's gynecology. Through his dedication to clinical application, teaching, and research in TCM gynecology, Zhu has significantly advanced his family's legacy, merging traditional practices with modern research across Shanghai and New York, thereby setting new standards in gynecological care and treatment.
